Professional Summary

A dynamic and passionate Frontend Developer with a strong sense of independence and enthusiasm. I have experience in building web and mobile applications. Proficient in Flutter, Dart, JavaScript, and PHP.

Eager to take on new challenges, I aim to join an organization where I can contribute my dynamism and passion to challenges.

Professional Experience

Mobile Developer

Continuous Net — Sousse, Tunisia

July 2023 – Present

- Spearheaded the development of a trip management app, reducing organization time by 30% with real-time data updates.
- Collaborated with the backend team to integrate APIs in an Agile environment.
- Conducted usability testing, improving user retention by 20%.

Mobile Development Intern

Continuous Net — Sousse, Tunisia

Feb 2023 – June 2023

- Developed and launched a mobile app using Flutter and Dart to manage organized trips, resulting in a more streamlined process for users.

Web Development Intern
